

Dear Sir or Madam:

The directors of PhreakNIC and the officers of Nashville 2600 invite you to become a sponsor of PhreakNIC 14. The enclosed Sponsorship Packet provides you with the information necessary to team up with our non-profit and 100%-volunteer organization to help produce this exciting event.

The events of PhreakNIC 14 include many speakers in various fields of the open source and computer security industries, held in a medium-sized hotel near downtown Nashville over the weekend of October 15th-17th, 2010. We expect a crowd of 300 people, which is close to the largest crowd ever at PhreakNIC and is considerably larger than 2009.

Sponsorship of PhreakNIC 14 allows you to reach technical persons in the computer field who hold influential positions within many varied organizations, as well as high school and college students who have yet to enter the industry, but whose mindshare is important to grab over their academic careers.

Thank you for taking the time to review the PhreakNIC 14 Sponsorship Packet. We look forward to establishing a partnership with you to make PhreakNIC 14 the best ever.

Sincerely yours,

Tilghman Leshner
President
